

## Quality Policy Statement

Wafex Pty Ltd (Wafex) is committed to providing fresh and dry flowers, which consistently meet our customers specified needs and expectations.

Wafex as a company is committed to improving organisational performance by considering inputs and issues from all our stakeholders, both suppliers and customers annually. This allows us to continually review and improve the way we carry out our business. At Wafex we believe that there is no such thing as a small improvement.

Wafex whether buying product or selling to our customers, will act at all time with the utmost integrity in building long term relationships with our suppliers and customers, that are conscious of developing and expanding the overall Australian Flower Industry.

Wafex's Quality Management System conforms to the requirements of the ISO 9001 Standard.

Wafex also conforms to the AQIS Approved Quality Assurance Compliance Directive. Wafex's management actively encourages all employees, clients and suppliers to assist us in achieving this process.

Wafex's Policy Statement is to be reviewed each calendar year. This is to be carried out by the Managing Directors of Wafex. Any changes will be implemented into the QA manual

This policy is available for reference for all Wafex's stakeholders or relevant interested parties upon request.
